

ALOHA!

October 6, 2017

Dear Kaneohe Resident,

Kiewit Infrastructure West Co. will be starting construction of the Kahanahou Waste Waterwater Pump Station Sewer Project. Work will take place along Kahanahou Place, Kahanahou Circle, Lilipuna Road, Lilipuna Place, Waialele Road, Makahio Street, Springer Place and Haleloke Place. The work consists of the following:

1. Installation of force main sewer.
2. Installation of gravity main sewer.
3. Connection to sewer laterals.
4. Installation of electrical and communication duct banks.
5. 24 hr sewer by-pass pumping.
6. AC Paving.
7. Traffic control to direct residents through work area.

The construction is scheduled to begin Monday, October 16, 2017 and will continue for 24 months.

Should you have any questions please call 808-352-7322. Visit the project website for more information: <http://www.honolulu.gov/cms-env-menu/site-env-sitearticles/803-major-sewer-construction-projects.html>

Mahalo & Aloha,
