# A letter from the Commodore...

Let your dreams set sail

by [Jennifer Steel](#) on May 05, 2017

We look forward to another year of racing, socializing, and enjoying all that Kaneohe Bay has to offer.

I would like to take the time to introduce myself for those who do not know me. My name is Jennifer Steel and I am proud to take on the reins as your Commodore of Makani Kai Yacht Club. Moving to Makani Kai Marina a few years ago we fell in love with the community and what it had to offer. I never imagined that I would be given the position as your Commodore, and for that I am honored.

Growing up in the land of over 10,000 lakes we did not do a lot of sailing but moving to the east coast years ago I had the opportunity to get my feet wet sailing and enjoyed it immensely.

The yacht club is open to all Makani Kai residents along with slip tenants. We encourage everyone to come out and enjoy the camaraderie. The number one question that I seem to answer often is “Do you need a boat to join?” No, you do not need a boat. Captains are always looking for crew.

We have monthly meetings that have a themed potluck every second Wednesday. It is a great time to meet people, be informed of what is happening in the club, as well as adding in new ideas. Past events we have supported are for sailors racing from the mainland (USA) which were Transpac and Pacific Cup. We also enjoy supporting the youth with the HYSA Race. My favorite event is the Christmas Parade of Lights held in December.

Please look on [mkmarina.org](http://mkmarina.org) on the MKYC page to see the Beer Can Race schedule, applications to join, and events to come.

Stay tuned for information on the inter-island travel by sea as well as upcoming events for the year.

My door is always open and I will do my best to keep you up to date on the happenings at the club.

We all have the same vested interest- to help the club thrive to its fullest potential.

Let's have a great season!

Fair Winds & Following Seas,

*Jennifer Steel*
