

ATTENTION MARINA USERS

EFFECTIVE

Monday, March 23rd, 2020

Private Marina Access is limited to activities associated with the maintenance and integrity of your vessel in the marina.

Use of your pleasure boat for hosting guests, parties, or excursions is in direct conflict with the "Covid 19 Stay at Home Ordinance" and is highly discouraged. Violators may be reported, and subject to public fines.

Effective immediately, and in place until April 30th, 2020 or as otherwise revised, Vessel owners and their guest are notified that:

- 1) The Makani Kai Clubhouse and Pool are closed to the residents, slip renters, and their guests.
- 2) Slip renters and their guest are restricted to their vessels and may not walk the property or utilize any of the grounds or amenities for personal; recreation or social gatherings. For restroom needs, it is advised you use your own boat's lavatory or porta-pottie, or bring other provisions.
- 3) Slip renters and their guests are directed to maintain social distance parameters and proceed directly to their vessel, and exit the property immediately following their activity.

Thank you for understanding and complying with state and local directives to help fight the Covid 19 virus pandemic.
