

June 4, 2020

Dear Owners & Residents of Makani Kai Marina,

We hope that this notice finds you and your family in good health and looking forward to a fun filled summer. We appreciate your understanding and patience during these past months with the temporary closing of the pool. The Board of Directors feel that we can take safe steps to reopen the pool with normal pool hours of 8:00 a.m. – 9:00 p.m. daily with the following modifications:

Effective June 5, 2020 and Until Further Notice:

- Only registered residents of Makani Kai Marina will be allowed to enter the pool during posted times. Registered residents are those who have their (households) current information form on file with Management. **No outside guests allowed.**
- Up to eight (8) individuals may use the pool area at any given time.
- While in/out of the pool, please practice social distancing of at least 6 feet from each other (unless individuals are from the same unit).
- If others are waiting to use the pool, please limit swimming session to 30 minutes.
- Upon exiting the pool, splash pool water on pool hand railings.
- Leave the pool area immediately upon exiting the pool. No sunbathing or “gathering” will be allowed. Pool furniture will be removed to discourage this activity.
- If you are not feeling well, please refrain from entering the pool area.
- The Clubhouse will remain closed, except for the restrooms which will be accessible by the door closest to the Manager’s unit.
- No Clubhouse reservations will be accepted.

These rules are in addition to the House Rules that are always in effect. Your decision to use the pool is your personal responsibility. By entering the pool area and using the pool you will be doing so at your own risk and release all liability against the Association, Management, and Staff of Makani Kai Marina. Have a safe summer!
