SWIMMING POOL GUIDELINES – TIER 4 EFFECTIVE JUNE 25, 2021

- Only registered residents of Makani Kai Marina and their guests will be allowed to enter the pool during posted times. Registered residents are those who have their (households) current information form on file with Management.
- Not more than twenty-five (25) residents total will be allowed in the pool area at any given time.
- Please be courteous to other residents by limiting the number of pool users in your group to a minimum to allow for adequate distance between households.
- If others are waiting to use the pool, we ask for the same courtesy by limiting your pool time to allow others to enjoy the pool as well.
- While in/out of the pool, please practice social distancing of at least 6 feet from each other (unless individuals are from the same household).
- If you are not feeling well, please refrain from entering the pool area.
- The Clubhouse will open for limited use by residents and their guests with an overall occupancy limit of 10. Mask wearing and social distancing is encouraged.
- Reservations for Clubhouse rental will not be accepted, since the number of people allowed indoors has remained the same at 10 pax.

These rules are in addition to the House Rules that are always in effect. Your decision to use the pool is your personal responsibility. By entering and using the pool and Clubhouse, you will be doing so at your own risk and release all liability against the Association, Management and Staff of Makani Kai Marina. Thank you for your continued cooperation.
